

Disabled and wheelchair access accommodation and activities in Noosa

This information is a guide only – please check details with individual operators

Noosa is a wonderful destination for wheelchair dependant visitors, and welcomes them and their carers. Most shops have ramps for access and the footpaths are very wide. There are boardwalks on the beach, in Noosa National Park and along Noosa River where free BBQ and picnic areas are available.

Australia has one **disability parking permit system** across all states and territories. The permit allows you to park for free at any on-street parking in local government metered and regulated parking areas

- Up to 30 minutes – when the time limit stated is less than this
- For an unlimited time – when the limit stated is 30 minutes or more

Activities

Party Pontoon Hire – Ramp access into boats is via a floating pontoon that adjusts its height according to the tide. Boat decks are flat with a side enclosure and no steps, and are stable in the water.
