

this week in noosa

Welcome to Noosa! With its pristine white sandy beaches, majestic Noosa River and fertile hinterland, it provides visitors with the perfect backdrop for adventurous fun.

Listed below are just some of the many things you can experience while visiting Noosa. We hope you enjoy your stay, and look forward to welcoming you back in the near future.

SCHOOL HOLIDAY FUN!

The Pied Piper: Once upon a time in a land far away, was a town called Hamelin. The town was suffering from a rat infestation when a man dressed in 'pied' appearance, claiming to be a rat-catcher, promised a solution to the problem. The Mayor promised to pay the man for the removal of the rats. The Pied Piper played a musical pipe to lure the rats out of the village and demanded a large sum of money for his services. The Mayor refused and the Piper left the village, very upset and seeking revenge. Of course we can't give away too much but in Jally Production's modern version of the traditional story the children are in for a great fun day. In this participation play, children become villagers, school children and those pesky rats. On at The J in Noosa Junction. For booking and details call 07 5455 4455 or go to www.thej.com.au. Thursday 9 July at 11am & 1pm. Price \$12pp.

Holiday movies: When the sun goes down and the kids are done with the beach for the day why not take in an afternoon flick at Noosa 5 Cinemas in Noosa Junction. Catch the brand new instalment in the animated Ice Age series or sing along to the Hannah Montana film. For the big kids, try Transformers, the action-packed follow up to the recent film-version of the popular cartoon series. Noosa 5 is located on Sunshine Beach Rd, call 07 5447 5130 or go to www.noosacinemas.com.au for session times and ticket information.
