DAY 1 – GOLF, CRUISE AND PLAY

1

Morning

TEE OFF ON YOUR CHOICE OF GREEN

Swap the boardroom for one of Noosa's picturesque golf courses. Each one is distinct – from the championship Noosa Springs Golf & Spa Resort where you can cap off 18 holes with a soak in the hydrotherapy spa, to the St Andrews-style Cooroy Golf Club and the well-groomed fairways of Noosa Golf Club. Every course is surrounded by beautiful bushland and visited by our local kangaroos.

2

Afternoon

LUXURY ON THE WATER

Nothing says exclusivity like boarding your own private vessel and being whisked away to a sumptuous seafood lunch on a secret sandbank. Enjoy your favourite cocktail and canapes while you cruise Noosa's waterways aboard the Catalina Noosa and then, with a crisp riesling or icy cold local craft beer in hand, your delegates will step off into a spectacularly styled pop-up restaurant (think flowing tablecloths, tropical natives and white parasols).

Lunch is a roll-call of Noosa's finest produce as you indulge in the likes of spanner crab and beach herb blinis, Noosa scallops with beurre blanc and lemon myrtle and local yellow-fin tuna sashimi with finger lime ponzu. The Ohana Group specialise in knockout events, headed up by Director & Executive Chef, Ryan Fitzpatrick, a stalwart on Noosa's culinary scene.

3

Evening

FIVE-STAR POOL PARTY

Party into the night with a poolside soiree at Sofitel Noosa Pacific Resort (up to 120 pax) where your perfect theme can be brought to life with a choice of seated or standing service, incorporating the resort's glamorous cabanas. Draw on local musicians or DJ talent, choose your perfect lighting, and enjoy this premier five-star resort as your private playground.

DAY 2 – ZOOM, EXPLORE AND CREATE

4

Morning

JET-SKI AROUND THE RIVER AND BAY

Saddle up for an adrenaline boost with an Ocean Tour with Noosa Jet-Ski Hire. With up to 10 skis available at one time (1-2 passengers on each), you'll head out of the Noosa River, cross the bar, and – if you're the type who goes hard in work and play – hit the waves to get some air. You'll zoom past Noosa's beautiful National Park bays, and if time permits, head out into the middle of the bay for some freestyle action.

5

Afternoon

HELICOPTERS + HINTERLAND LUNCH

There's no better way to make a grand entrance than in a sleek black AS350 Helicopter. Step aboard (4 pax per flight) for transfers out over the rolling green hills of the Noosa Hinterland to the rammed earth villa crowning Mayan Farm in Kin Kin. Here, atop 100 acres of a beautiful working farm with an outdoor pizza oven, fire pit and concrete plunge pool, your private lunch will be served by Slow Food Noosa advocate and chef, Jodie Williams from Black Ant Gourmet. Larger groups (40-120 guests) may opt to experience her Black Ant Barn at Kin Kin General Store, with no venue charge.

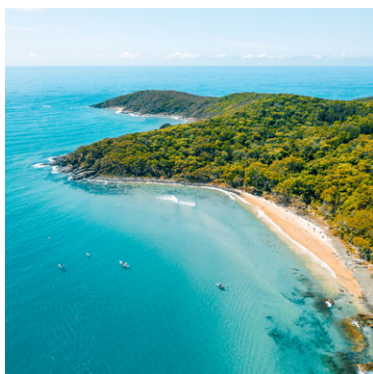

6

Evening

COCKTAILS AND DREAMS

Challenge your delegates to learn an important new skill – the art of the cocktail – with a private cocktail masterclass, complemented by gourmet grazing boards and canapes. The Bartenders will come to you (or a private residence can be arranged) for the two-hour class, during which you'll master three cocktails of your choice.

DAY 3 – COAST TO COUNTRY

7

Morning

STUNNING NOOSA NATIONAL PARK

Noosa National Park isn't just a stunning pocket of protected sub-tropical rainforest jutting out into the Pacific Ocean but a natural playground filled with walking trails, surf breaks, and snoozing koalas. During a morning hike with one of Outdoor Adventure Australia's qualified guides, you'll learn about the native fauna and flora while soaking up the beauty of the bushland.

8

Afternoon

MEET OUR MAKERS – GIN TOUR

Become gin connoisseurs in an afternoon with a private distillery tour. You'll head into the hinterland to visit three local distilleries, sampling a range of gin with cheese platters and lunch included. First stop is Cooroy and 2020 Distillery where you'll tour the distillery and enjoy a guided tasting, then it's off to the nearby hamlet of Pomona for lunch and a gin flight at Pomona Distilling Co. On your way back to base, make a stop at Noosa Heads Distillery for your choice of one of their signature gin cocktails. Creative Tours and Events can customise tours for up to 200 pax and if gin's not your thing, there are chocolate, craft beer, coffee and other farm-to-fork alternatives.

9

Evening

FINE DINING AT THE ULTIMATE BEACH HOUSE

Save the best for last with a private farewell function at one of Noosa's exclusive holiday residences, designed by luxury concierge Beyond Experiences. Choose from a range of properties boasting rock star positions – bordering Noosa National Park, private beachfront views to hinterland retreats surrounded by rolling green hills. Wow your delegates with sunset cocktails and canapés served around infinity pools before sitting down to a three-course meal with matching wines prepared by your own private chef.
