

SUNSHINE BEACH

The chilled beachfront village of Sunshine Beach is set beneath a canopy of green trees and pandanus palms – perfect for a relaxing beach holiday. Stay in beachfront resorts or holiday homes, and walk to a great range of restaurants, cafes, hip bars and takeaways.

Sunshine Beach is located on the southern side of Noosa National Park, just a five-minute drive from Noosa Heads. Walk the Noosa National Park headland from Hastings Street to Sunshine Beach (about 2.5 hours) for stunning coastal views.

Sunshine Beach is the start of a 15km stretch of open beaches with surf breaks and plenty of white sand, perfect for long walks or even a bike ride along the coastal pathway.
