

Sunshine Coast Airport

## SNAPSHOT

Sunshine Coast Airport is Queensland's premier regional airport, positioned in the heart of a thriving region.

The Airport is the gateway to the beautiful Sunshine Coast region, providing opportunities for tourism, business and jobs growth.

The new 13/31 runway is opening the region to more destinations and greater export opportunities.

Connecting more people to more destinations than ever before.

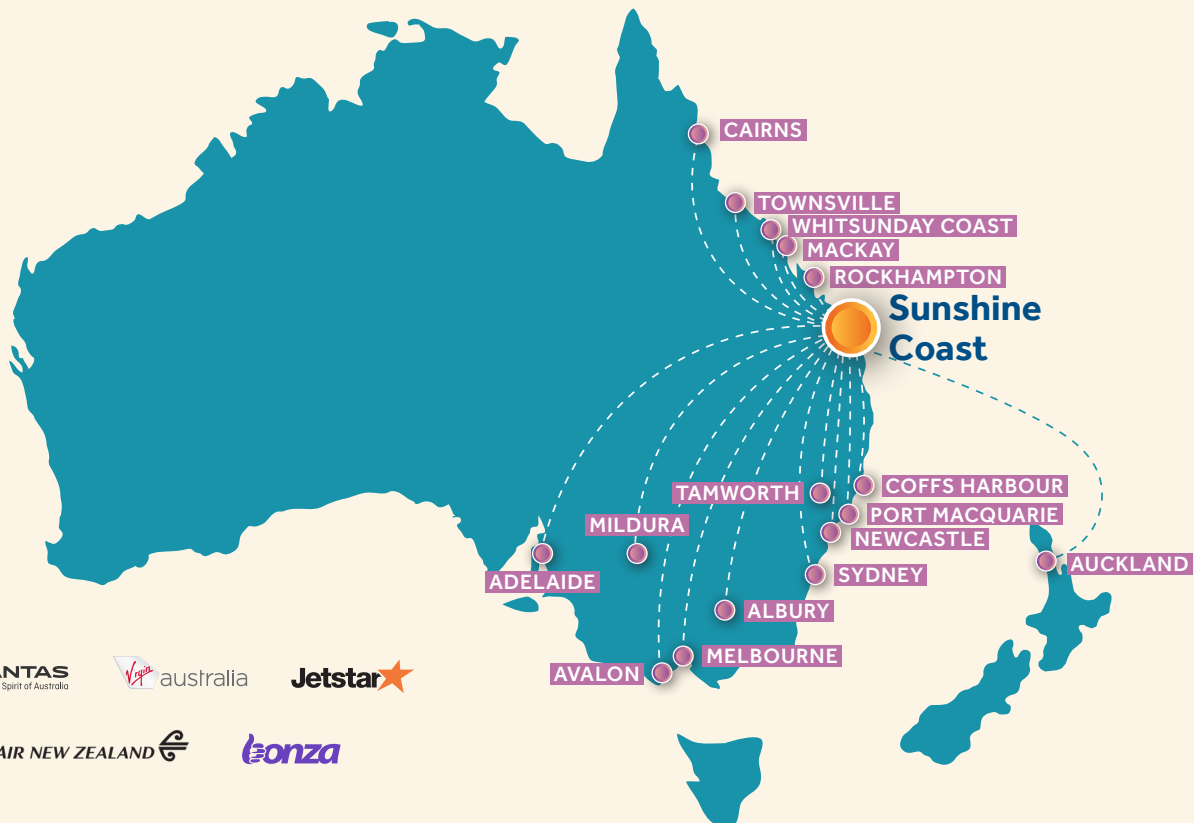

Planning is currently underway to invest more than \$500 million in upgrading and expanding existing facilities which will boost economy, create jobs growth and support the 2032 Olympic and Paralympic Games.

Australia's first and only carbon neutral airport.
