

SYNC INTO NOOSA'S SEASONS

Climate

If you want to energise your delegates with a healthy dose of Vitamin D, you're in the right place. Sun-drenched and relaxed, Noosa is famous for its mild subtropical climate, with an average annual temperature of 28°C (82°F) in summer and 21°C (69°F) in winter. For further climate information, please refer to the Australian Bureau of Meteorology at bom.gov.au.

Holiday Periods

There's nothing worse than planning an event and coming head-to-head with high season and school holidays. Get the head start on school and public holidays by visiting education.qld.gov.au.

LOW SEASON

April – September
(excluding school holidays)

SHOULDER SEASON

October – December and
February – March

HIGH SEASON

December – January and
March – April

Beach & Sun Safety

With your usual four walls replaced by Noosa's natural environment, you'll be feeling bright and free of any corporate shackles. But please ensure you swim between the red and yellow flags on Noosa's patrolled beaches and follow the instructions of Surf Lifesavers.

And just as you don't want to skip a locally-roasted coffee before your first session of the day, don't forget to slip, slop, slap. Always cover up and protect yourself against UV rays. Surf Lifesavers on the beach have a ready supply of sunscreen if required.
