

# ACCESSIBLE AND WHEELCHAIR FRIENDLY ACCOMMODATION AND ACTIVITIES IN NOOSA

Noosa is a wonderful destination for wheelchair dependant visitors and welcomes them and their carers. Most shops have ramps for access and the footpaths are very wide. There are boardwalks on the beach, in Noosa National Park and along Noosa River where free BBQ and picnic areas are available.

Australia has one disability parking permit system across all states and territories. The permit allows you to park for free at any on-street parking in local government metered and regulated parking areas:

- Up to 30 minutes – when the time limit stated is less than 30 minutes
- For an unlimited time – when the limit stated is 30 minutes or more
